2. In this world of living, God I give my love to You.
 Your always there to listen, to guide and see me through
 Your the one that gives us such an everlasting good
 My Saviour, strength, forgiver

3. And as I move along my path, You help me find the way
 I put my hands together, and quietly I pray
 Through good and bad, I am glad, Your always there for me
 My Saviour, strength, forgiver
